---

## EDUCATION

**The University of Texas at Austin**, Austin, TX

May 2021

Bachelor of Science and Arts in Biology, Bachelor of Arts in Health and Society (Population Health concentration)

- Bridging Disciplines Program Certification in Social Inequality, Health, and Policy (19 coursework hours)

## SKILLS

- **Certifications:** CPR Certified (2018), HIPAA Compliance Training (2019, 2020)
- **Technical/Computer Skills:** basic coding skills using MATLAB, R Studio and Python, proficient in Microsoft Excel, experience working with Athena, Redbox, and Powerchart

## RESEARCH

**UTHealth Women's Health Department, Dr. Gabriela Halder**, Austin, TX

August 2019-June 2020

*Volunteer Research Assistant*

- Utilized Athena to determine patient eligibility and administered a series of in person surveys to patients in order to determine whether or not additional doctor-patient communication via a telephone call affects how prepared a patient feels for surgery, and in turn how well a patient recovers from surgery
- Organized and reviewed all data collected, compiled all data in Redbox and Excel according to patient's date of surgery
- Created a weekly schedule for the research team with information regarding patients enrolled in the study each week

**UT Austin School of Kinesiology, Dr. Lawrence Abraham**, Austin, TX

October 2018-March 2019

*Volunteer Research Assistant*

- Recruited participants and ran participant sessions in the motor coordination lab, collected and organized data from each participant, determined a relationship between participant's daily activities and the accuracy and/or speed in which they completed the task given in the lab

## INTERNSHIPS

**Brighter Bites Fieldwork Internship**, Austin, TX

August 2020-December 2020

- Facilitated contactless produce distributions at elementary schools across Austin, worked closely with school staff and families to ensure distributions ran smoothly
- Managed and lead volunteers at distribution sites
- Created nutrition education materials for teachers and families to use

## VOLUNTEER POSITIONS

**People's Community Clinic**, Austin, TX

August 2019-present

*Play to Learn Class Assistant, Pediatric Office Volunteer*

- Assist with running People's Community Clinic's Play to Learn class, an interactive class for 2-4 year olds and their moms. Help to come up with a curriculum and activities for each week, help to set up classroom and put together activities, interact directly with children and parents in the class and encourage educational play.
- Assist with other projects around the clinic, including organizing and distributing educational brochures for pediatric patients and parents.

**Texas Children's Hospital**, Houston, TX

Summer 2018, 2019

*Summer University Student Volunteer (170 hours total)*

- Improved patient experience in the hospital by overseeing various playrooms and organizing individual activities for patients unable to participate in organized group activities
- Collaborated with various doctors and nurses on the Texas Children's Mobile Clinic to help provide accessible pediatric care to underserved areas in Houston; administered vaccination information and other relevant pediatric health information to parents and assisted checking in patients

**Reading Aces**, Austin, TX

February 2019-November 2019

### *Volunteer*

- Promoted literary skills, scholastic achievement, and fostered meaningful connections with at-risk elementary students weekly at Metz Recreational Center

## **ACTIVITIES & LEADERSHIP**

### **Global Medical Training, Austin, TX**

Fall 2017-present

#### *Member*

- Helped to run a healthcare clinic in the Dominican Republic in June 2018. Assisted with checking in patients and performing basic physical assessments of patients; also worked in the pharmacy helping to sort through and distribute medications.
- Volunteer at various events in the Austin community
- Raise money for the organization to purchase pharmaceuticals for trips

### **Longhorn Dance Company**

January 2018-present

#### *Treasurer (Fall 2019-Spring 2020), President (present)*

- Organize, plan, and lead weekly meetings of 25-30 members; effectively teach dance skills and choreography in a way that members of all dance levels are able to comprehend and execute
- Oversee all financial aspects of the organization, including keeping account of all member dues and a running merchandise count
- Delegate jobs to other officers and keep officer team accountable for their respective roles and participation in the organization
